

Twin Screw Extrusion, Hot Melt Extrusion and Rheology for Pharma

Demo of HME & Rheometer, etc.

Seminar

Speaker

Dr. Ceren Yüce
Application Specialist
(In charge for): Pharma-Application
Thermo Fisher Scientific

Ms. Jeeranun Ongrak
Technical Sales Engineer
LMS Instruments

Agenda

Theory

09:30 - 09:45

09:45 - 10:45

10:45 - 11:00

11:00 - 12:00

12:00 - 13:00

Venue: Novotel Bangkok on Siam Square*

Welcome & LMS Introduction

Pharma Processing "Twin Screw Extrusion: A Continuous Manufacturing Revolution in Pharma" "English"

Coffee Break

Principal of Rotation & Oscillation Rheometer "Thai"

Lunch

Demonstration

13:30 - 15:30

Venue: Faculty of Pharmaceutical Science, CU*

Demo for 4 stations (30 mins / each station)

- Process11 Hygienic - Twin Screw Extruder
- MARS iQ Air - Rheometer
- MS20 - Stability analyzer
- OCA25 - Optical Contact Angle

Don't Miss!

Friday, 8th May 2026

SINCE 9:30 - 15:30

Venue: Novotel Bangkok on Siam Square*
